

Social Enterprise

Autumn/Winter Buffet Menu 2024

The Marylebone Project is a Registered Social Landlord set up through a partnership between Church Army and the Portman House Trust. We provide 112 long and short-term beds to homeless women. Whatever their story, we aim for the same ending; self-esteem, employment and independent living. We do this by providing shelter, emotional support, education opportunities, spiritual space, and events in a welcoming and secure environment.

-

At Made in Marylebone we run two social enterprises, Munch in Marylebone and Space in Marylebone. Our mission is to run sustainable businesses which equip the women at the Marylebone Project with the skills and training needed to gain employment, as well as to support the overall aims of the Marylebone Project.

-

Munch in Marylebone is our catering business, providing delicious homemade food for lunches and events. Our food is freshly prepared by our professional chef and a team of women from the project.

-

Some of the dishes on our menu are recipes that have been inspired by the women, which have come from all over the world.

-

Space provides three meeting rooms in the heart of London. Our rooms are versatile and can host any kind of meeting or event for up to 50 people.
